

ARTICLE FOR THE ETWALL EXPRESS - JAN ISSUE 2022

We all had a wonderful time on our trip to the theatre before Christmas. We were so proud of all of our children.

We are about to start a new year and are very much looking forward to lots of exciting activities and adventures in the coming terms.

We will be looking at dental hygiene with the children and their families. It is so important that children learn how to clean their teeth and why we need to clean them.

So doing activities at preschool will hopefully make this a fun thing to do.

30 hours free childcare is available for 3 and 4-year olds of working parents in England.
